## INTRODUCTION

The Management of the college is very much conscious of the fact that Sant Tapasvi Narayan Das Shikshan Sansthan, Vill.- Dostpur Khairvi, Po.- Bariyarpur, Tehsil/Taluka- Bathnaha, Sitamarhi, should be a model institution in the National context which may bloom into one of the best centres of education of the country. We are very much grateful to the Almighty that Sant Tapasvi Narayan Das Shikshan Sansthan has been growing from height to height in the field of education. The Board of Management of Trust of Sant Tapasvi Narayan Das Foundation, The Parent body of the college has introduced eminent scholars on the subject to deliver lectures. Extra curricular activities are held regularly according to the Academic Calendar for the benefit of the trainees. The management gives sufficient grant for all these activities in the college.

## FOUNDER MESSAGE

None can deny that present era is of modern education, science and technology. It is also an established fact that no country can serve gracefully and flourish without its own trained personnel and teachers. With this thought in mind, the college in its history has accommodated students and faculty of different communities.

We try to fulfill the long standing necessity of the economically politically and socially backward community, due to the long felt need of training the graduates, established and sponsored Sant Tapasvi Narayan Das Shikshan Sansthan in 2016. Since its establishment, the college has been teaching B. Ed and D.El. Ed courses.

## OUR VISION

To Built the best Teacher Education Institution for society has the vision of quality teacher preparation since the development of the nation depends upon the standard of education and the destiny of the children vastly depends on quality teachers. 'Every man is potentially divine' and as such 'power , knowledge, bliss, absolute', to lead an angelic life on the basis of the above mentioned philosophy and to build up a casteless and classless society where love will be the law and service will be the religion of people, for this, our approach is cultural, By culture, we mean a cultural movement to study, understand and appreciate the values within us and with others, our educational programme is based on the philosophy of the Upanishads as preached by Aadi shankaracharya, swami vivekanand and Ravindranath Tagore.

## OUR MISSION

To help the teacher trainees to understand and accept the social objectives of the new pattern of education and the implications of new social order envisaged in it

To bring physical, intellectual, aesthetic and spiritual development in trainees to achieve well-integrated harmonious balanced personality

To equip the teacher trainees with innovative ideas to understand and meet the physical, mental and emotional need of children

To provide the teacher trainees practical experiences of community life based on team work for common good

To blend modern education with traditional one retaining the indian cultural ethos

To provide congenial environment to the teacher trainees by developing eco-friendly attitude to make them as the worthy citizens of the nation

To develop positive attitude with the teacher trainees towards teaching profession and to make them professionally committed teachers for the future generation
